

## SUPPORTING CANADIAN ARABS OF TOMORROW

### HELPING US SUPPORT AND RECOGNIZE ARAB YOUTH IN CANADA

#### How our work makes a difference

The Canadian Arab Institute is a charitable and non-partisan organization dedicated to celebrating and supporting the contributions of the Canadian Arab community and offering a unique perspective on Canadian public policy issues.

The Canadian Arab Institute is prioritizing three key projects in 2018 with the goal of raising the community profile, with a special focus on youth:

- Commission four research publications on Canadian Arab youth
- Support our youth and newcomers mentoring program
- Expand the *Canadian Arabs to Watch* recognition program

#### Promoting the Voices of Canadian Arab Youth

The Canadian Arab community is one of the fastest growing ethno-cultural groups in Canada.

The 2016 Census found that Arabic language usage in homes has increased 30% since the 2011 Census, second only in growth to the Tagalog (Filipino) language.

Our various mentorship and fellowship programs across Canada, in addition to our youth development conferences, have connected more than 500 youth over the past three years to important mentorship, professional/skills development and networking opportunities. For more information on our programs please visit our website.
